

Proxy-Disclosed Data On The CEO Pay Ratio

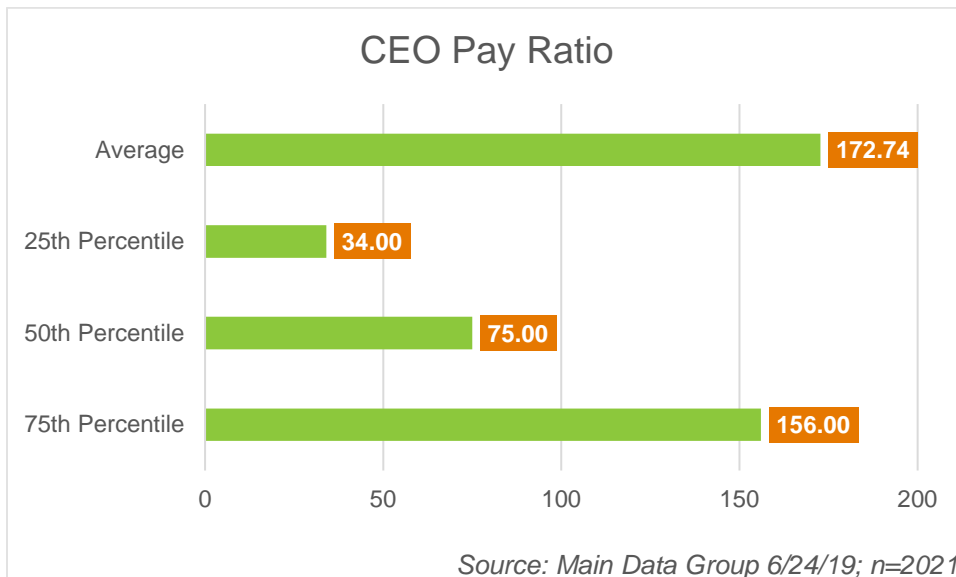

TRENDS REPORT

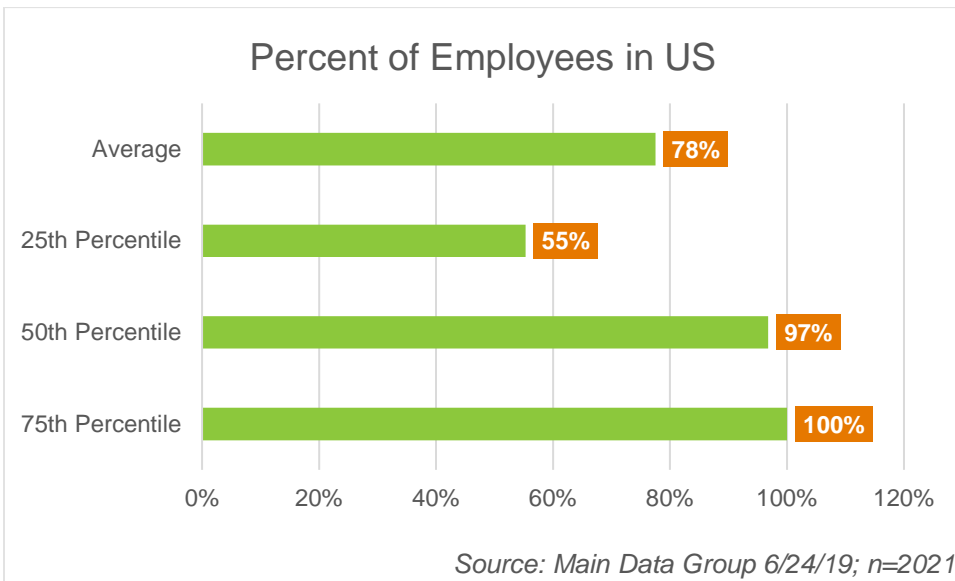

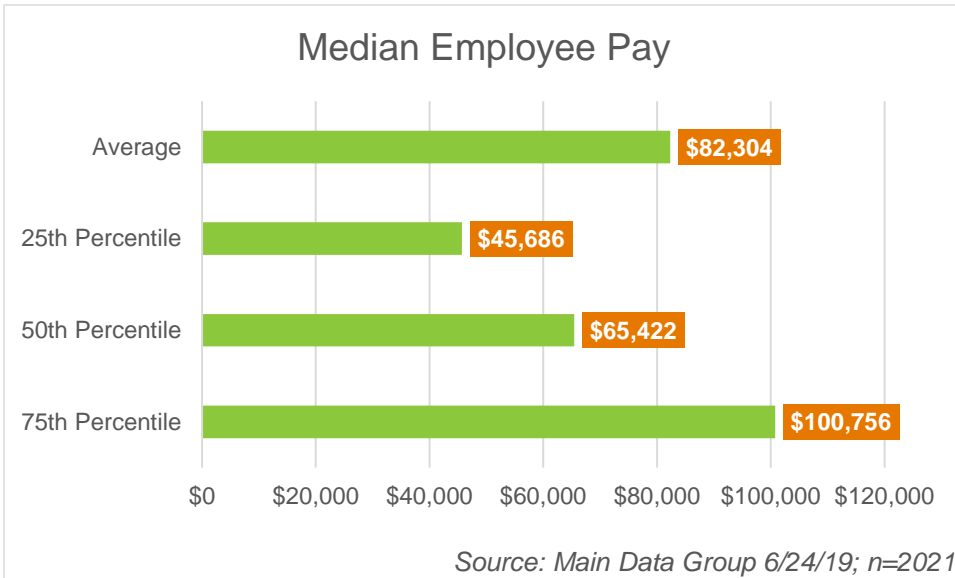

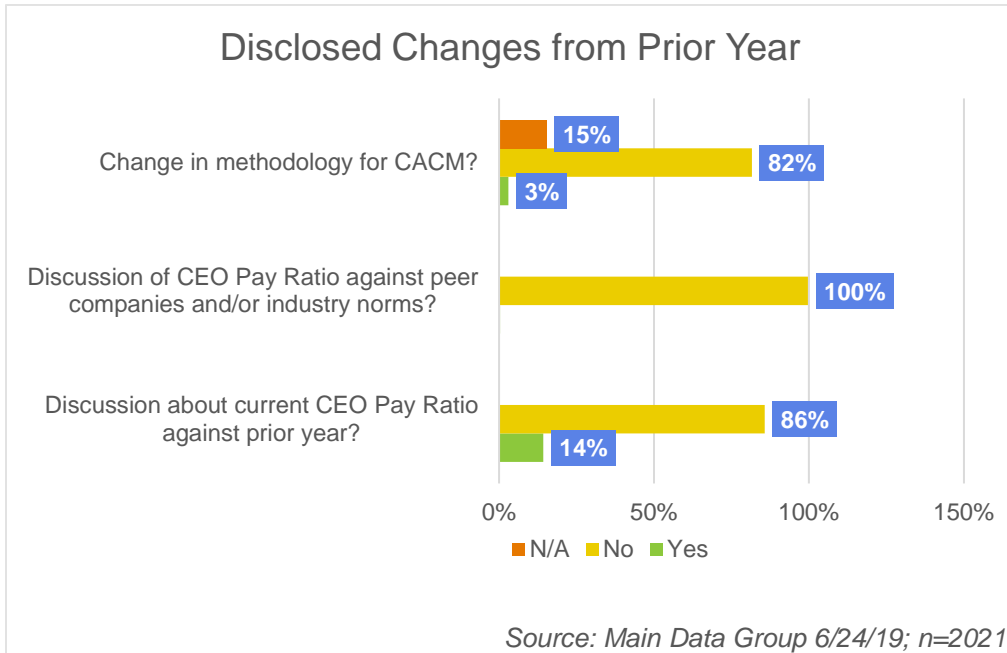

Year Two of the CEO Pay Ratio is here. As public companies in the U.S. are beginning to file their 2019 proxies, the CEO Pay Ratio disclosures are a top item of interest.

Main Data Group is continually tracking this incoming data and will be publishing regular updates on the averages and percentiles for the CEO Pay Ratio, the Median Employee Pay, and the Percentage of US-Based Workforce. We also have new data to share on whether or not companies have made comparisons to last year in their disclosure or changed their CACM methodology. Numerous additional data points are included in the standard reports available to Main Data Group subscribers.
